Second Member of Council

BANGALORE.

Sir,

I beg to bring to your kind notice that the Dispensary at Attigundi is closed for the last one year and 6 months for want of a Sub Assistant Surgeon. The Deputy Commissioner inspected the place on the 23rd January 23 and was of opinion that two of the rooms in the Police Station at Attigundi should be reserved for the use of the Hospital and that the people of Attigundi should provide a house for the use of the Sub Assistant Surgeon for which we agreed.

As the people of Attigundi and its surroundings are experiencing much difficulty for want of medical aid I pray that immediate arrangements may kindly be made to reopen the dispensary for which act of kindness we shall ever feel grateful

I beg to remain

sir,

Yours Faithfully,

SRI GURU DATHATRYIA BABABUDAN SWAMY

Against a provision of Rs 75,000 made in the current year's budget for Malaria Improvement schemes, there is a demand for about Rs 48000 on account of the dispensaries opened & the vaccinators & midwives entertained under the M. I. scheme and for about Rs 63,000 for completed & incomplete works undertaken. It is not known whether the cost may not increase if semi-itinerant dispensaries are abolished & permanent & travelling dispensaries are to be established in their place. In these circumstances, it is a point for consideration if any part of the provision can be allowed to be diverted for being utilised for the purpose of constructing the buildings for dispensary at Attipencadi

SIR,

In reply to your letter No.L.7671-Med.77-21-10 dated 23rd May 1923, anent the re-opening of the dispensary at Attigundi, I have the honour to report that Sub Assistant Surgeon Mr.C.R.Raja Rao, attached to the District Hospital, Tumkur, has this day been directed to proceed to Attigundi and re-open the Dispensary there at once in the two rooms of the Police Station, selected by the Deputy Commissioner, Kadur District. The delay was due to want of suitable accommodation for locating the dispensary and for the staff, as these two rooms of the Police Station were also reported by the District Medical Officer, to be quite unsuitable for the purpose and the matter was again referred to the Deputy Commissioner in March 1923, to which no reply is received till now. As the present rooms are offered for one year (Vide copy of letter No.D.1 Dis.261 dated 24th February 1923 from the Inspector General of Police) for locating the dispensary and as the climatic condition of the place needs a suitable building for the dispensary and living accommodation for the staff, early orders may be kindly issued for the construction of a new building at Attigundi.

I have the honour to be, Sir,
Your most obedient servant,

Ag. Senior Surgeon

Letter No.D1.Dis.261/22 dated 24th February 1923, from the Inspector General of Police in Mysore, to the Senior Surgeon in Mysore, Bangalore.

With reference to your letter No.G.C.177-18 of 21-22 dated the 27th January 1923, requesting that two rooms of the Police Station at Attigundi may be placed temporarily for locating the L.F.Dispensary, I have the honour to state that I have no objection to spare two of the rooms in the building which are meant for the constables, The Office room will be reserved for the Police Station and the Lock-up. This arrangement may be given effect to for one year by which time it is expected the new dispensary building will be built.
